

Veronica Jean Funk

**Pictured at left with the Camp Ronald
Director at our Annual Holiday Event, Warner
Bros. Studios*

- Project: Wish Upon A Star.org**
- Co-Founder/Treasurer, Admin. Officer**
- pezfunk13@yahoo.com**
- (559) 260-8976**

BIO:

Veronica has been involved in charity work along with myself, her husband for over 15 years doing benefits and projects for Camp Ronald McDonald for Good Times, a recreational getaway for children with life conditions. Her background in Management, Art and Design is integral to our foundations primary goals.

Her role with Project: Wish Upon A Star involves Administration and Operations, social management, basic operational activities for creating successful benefits and campaigns as well as interaction with celebrities at our fundraising venues.

Vern Sanders

**Accompanying Mr. Benedict right of picture*

- Project: Wish Upon A Star.org
- Operations/Technology Officer
- vernon.sanders@sbcglobal.net
- (559) 274-5614

BIO:

Mr. Sanders has been involved in community work, is a strong asset in leadership with skills in Excel, Technology, Historical data and a vast knowledge in Science Fiction, Comics as well as Entertainment. He is currently undergoing treatment for a form of Lymphoma recently discovered, but we are all very optimistic for a full recovery.

His role with Project: Wish Upon A Star involves data management, logistics and basic operational activities aiding us in successful benefits, live broadcasting via recording and/or documenting our fundraising venues.

David Tate

**David with his son Lucas, and their new "friend" Stan Lee.*

- Project: Wish Upon A Star.org**
- Marketing/Social Officer**
- dtateclann@gmail.com**
- (661) 496-1175**

BIO:

Mr. Tate was announced as our first "Project" recipient and a door was opened to a life long friendship. His son, now 7 years old, was stricken with a rare form of Leukemia and was chosen by Camp Ronald McDonald directors to be our sponsored family for our foundations first major project, "Superhero Family" as guests at the 2016 LA Comic Con.

Mr. Tate knows first hand about the processes involving childhood cancer & treatment and has become a Pediatric Nurse just this year after being involved with his son Lucas and his treatments for nearly 2 years at UCLA. His role with Project: Wish Upon A Star, involves his connection to treatments first-hand & is our structure for who and what we do as a foundation as well as where we are heading in the future of "Project:Wish Upon A Star. Lucas and his brother are involved in technologies such as Gaming, Design & Robotics.
